THE COLLECTION

Quick, consistent and mess free, introducing the smoothie range:

LEMON

It's the real lemon juice in our smoothie that gives it such a sharp freshly squeezed taste. Use it to make classic lemonade with sparkling water, add raspberry syrup for gorgeously fruity pink lemonade, or make as a simple smoothie for extra refreshment when the weather is hot.

MANGO

We've added all the fragrance and taste of tropical mango into our classic smoothie. Sweet, delicious and made with real mangoes, this classic should be first on your ice-blended menu.

MANGO & PASSIONFRUIT

No need for any slicing or peeling as we've already paired these two tropical fruit classics for a refreshingly sweet and tangy taste, ripe for sunny days.

STRAWBERRY & BANANA

Bringing together the juiciness of ripe strawberries and creamy smooth banana this is a classic combination. Easier than mixing your own recipe, we have created the perfect balance of both fruits.

PEACH

Made with real peaches this smoothie is sunshine in a cup and a fruitful addition to any smoothie menu. With a gorgeous bright natural colour Sweetbird Peach smoothie is delicious on its own or made with Vanilla Bean or Yogurt frappés.

RASPBERRY & BLACKCURRANT

Rich, berry tones make up our summer berry flavour, made with real raspberries and blackcurrants giving it the perfect balance of sharp and sweet.

STRAWBERRY

Plump, ripe, succulent strawberries are used to make our versatile Strawberry smoothie. Blended with just ice and a splash of water the tang of strawberries hits the taste buds on first taste.
