## Green Jasmine

### Green Jasmine

Jasmine symbolises voluptuous love. This aromatic flower, of the Orient, is combined with the subtle taste of a green tea grown in China. Discover a nectar with a flowery and velvety flavour, and low in caffeine.

Ref. 202063

Jasmine, an aromatic flower known for its perfume, is also known for its digestive, soothing and balancing properties. This jasmine scented green tea will delight connoisseurs with its delicate fragrance and freshness.

This Jasmine green tea is cultivated in China, according to the standards of Fairtrade. The Fairtrade mark guarantees that the tea is produced with respect for the farmers and workers. Certified organic, so you can be confident that your tea is grown without chemical fertilisers or pesticides, with respect for soil, biodiversity and water resources.
