## Red Fruits Infusion

### Red Fruits Infusion

Mixture of fruit pieces, natural leaves and flavourings.  
This infusion has an intense, clear, purple-red colour.

Ref. 202064

Red fruits, with their inviting taste and aroma, give a delicate infusion, believed to be beneficial to the body. They are known for their high content of antioxidants, which promote blood circulation, help to purify the body, and for their anti-ageing properties. Excellent infusion to drink hot or chilled over ice.

**Ingredients (100% Organic):** Apple pieces 48%, beetroot 20%, hibiscus 7%, mulberry leaves 5%, natural strawberry flavouring 4%, raspberry pieces 4%, natural raspberry flavouring 3%, natural blackcurrant flavouring 3%, elderflower 3%, elderflower natural flavour 2%, lemon essential oil 1%.
