Green Mint

A great classic from the Maghreb to (re)discover!
This tasty blend combines the subtle flavour of green tea with the freshness of mint and can serve at any time of the day for a gourmet and convivial break.

Ref. 202066

Born in Morocco, our Green Mint embodies the values of hospitality of the people of the Maghreb. This traditional North African drink is now enjoyed all over the world. Fancy an invigorating and thirst-quenching break? The blend of this green tea and mint combines the finesse and subtlety of green tea and the vibrant freshness of mint.

As a hot or cold drink, this green tea can be enjoyed at any time of the year. Our tea bags can be used to prepare a delicious ice-cold mint tea, which is pleasant in hot weather. Our mint tea invites you on a sensory journey to the Mediterranean and offers you an exotic bouquet of oriental flavours.
