Verveine

Verveine (Lemon Verbena)

Known for its character and traditional attributes of miraculous properties. Discover a delicate infusion, with fragrant and refreshing notes.

Ref. 202074

Vervein naturally caffeine free and is known for its purifying properties and is perfect as an end to the day.

Enjoy a delicate herbal infusion with a mildly lemony spicy flavour. The plants are harvested before flowering, when the leaves concentrate their aromas. This tea can be drunk throughout the day throughout the day, but is at its best in the evening.

Verveine is certified organic, this certification guarantees you a quality product, grown with respect for the planet. The plantations do not use pesticides or chemical fertilisers, thus preserving the biodiversity, water resources and soil quality are preserved.

Ingredients: 100% Organic verveine
